I, _____ am applying for a transportation letter to the United States of America. By signing this Affidavit, I swear that all the information and documentation provided in support of this application is true and accurate, and that I have not omitted any material facts that may cause this application to be denied. I understand that an application for a transportation letter is not an assurance that the letter will be granted, nor is it assurance of lawful admission to the United States of America.

I understand that submitting a false application or providing false information or fraudulent documents or concealing material facts violates criminal provisions of U.S. law, including but not limited to 18 U.S.C.1001 (fraud and false statements) and 18 U.S.C 1621 (perjury); and that my request for a transportation letter will be denied, I may lose immigration status and/or benefits, and be subject to prosecution. I further understand that the Immigration Inspector at the Post of Entry has sole and exclusive authority to admit aliens and that a transportation letter in no way guarantees lawful admission or otherwise constitutes prior obligation of the United States government to admit an alien.

I further swear that I understand the provisions under which I may use a transportation letter to board a carrier and apply for admission to the United States, and that a transportation letter will immediately become null and void if I fail to comply with such provisions.
